CEO Message

"At Apex Ground Services, our mission is simple — to deliver seamless, reliable, and truly premium support for every aircraft, passenger, and crew we serve.

Operating at Belgrade Nikola Tesla Airport, we are proud to provide personalized ground handling solutions tailored to the dynamic needs of business aviation. Our team is committed to the highest standards of safety, efficiency, and discretion, ensuring that every operation is handled with precision and care.

We continuously invest in our people, processes, and partnerships to exceed expectations and build long-term trust with our clients worldwide.

We look forward to welcoming you to Belgrade and delivering the Apex standard of service".

Warm regards,

Pavle Sipka

Chief Executive Officer
